How To Begin

It's easy...give us a try with our Introductory Offers.

As a first time student at Starlight, our Introductory lesson offers are the best way to start! This lesson is designed to fully acquaint you with the studio and all aspects of our teaching and programs. And there's no partner necessary to enjoy this introduction! You get...

We highly recommend that all new students begin with our Introductory Lesson so that if you decide to continue dancing, you'll be better able to make a decision on the program that works best for you .

How it works...

1. Give us a call or stop by to set up your Private Lesson. 516-326-7787
2. Take your 30-minute Private Lesson
3. Meet with Customer Relations Manager for your Personal Consultation
